

The Ann Arbor Public Schools Educational Foundation is a non-profit organization, separate from the Ann Arbor Public Schools, that serves as the one true vehicle for private giving to our public schools. We support everything from math and science to instrumental music, career and college readiness programs, arts and humanities to innovative teacher grants. We salute your dedication, and encourage you to extend your commitment to excellence by contributing through payroll deduction. Your contribution, no matter the size, will help the district thrive.
